

## PRESS RELEASE

Paris, July 28, 2020

### JEC KOREA 2020 GOES FULLY ONLINE TO SERVE ASIA PACIFIC COMPOSITES COMMUNITY

-----  
JEC KOREA IN SEOUL WILL BE BACK IN 2021

The coronavirus pandemic is still affecting the whole world, specifically trade exhibitions, so in this context, JEC Group has decided to organize JEC Korea 2020 Online. This new format will offer to sponsors and participants a unique opportunity to explore the composites market in Asia Pacific.

JEC Korea 2020 ONLINE will take place from November 24<sup>th</sup> to 26<sup>th</sup> during three half-day sessions, and will include JEC Korea main features highlighting innovation in Asia Pacific and enabling participants to share business cases, solutions, and best practices, with:

- JEC Composites Innovation Awards,
- JEC Composites Technical Conferences,
- JEC Startup Booster,

And some keynote speeches with the online global Awards Ceremony to be held on November 25<sup>th</sup>.

This online event will be mainly addressed to the Asian Pacific and European companies and professionals.

**More information to come at the end of August  
on [www.jec-korea.events](http://www.jec-korea.events)**

JEC Korea 2020 Online is supported by:

**JEC Korea in Seoul**, the leading composites event in Asia Pacific for products, solutions, networking, and advanced industry thinking, **will be back in 2021** from November 3<sup>rd</sup> to 5<sup>th</sup>, at COEX.

#### About JEC Group

JEC Group is the world's leading company dedicated entirely to the development of information and business connections channels and platforms supporting the growth and promotion of the composite materials industry. The company publishes the sector's leading magazine, JEC Composites Magazine, and coordinates international programs in innovation. It organizes several events worldwide, including JEC World, the most significant international trade fair in composites and their use, every year in Paris.
